# Welcome to Your New Home!

## Moving In

The owner has made every effort to have the home in good condition for your arrival. You are being provided a link to **MyWalkThru**. This is a phone app to help you document the condition of the property at move in. Complete this within 4 days of move in. The Move-In Property Condition form is for your protection. You should list any pre-existing damage or deficiency in the property. We will utilize this form when the move-out survey is completed at the time of move out. You will receive a copy of the photos and report for your records.

## Keys

The keys provided to you at move-in will be replaced by our re-key service when they go out to bring the property up to code. This way you can be assured no previous tenant or contractor has been in possession of your keys. If you choose to change your locks during your lease, you must provide GDAA with a copy and return the locks to GDAA's standard, prior to your move-out.

**The purpose of the keyless deadbolt is to protect you while you are inside the property. When you exit the home, please leave the keyless deadbolts disengaged.** This will prevent you from being locked out of the house. If the garage door openers should not work for any reason (such as loss of power) you could be locked out of your home. If you lock yourself out during our office hours you may pick up a spare set of keys at our office. We require a \$50.00 deposit which will be fully refunded to you if the keys are returned to our office within 24 hours. **After hours lockouts require a locksmith at your own expense.**

## Office Hours

The property management office hours are Monday-Friday 9:00-5:00. We are closed on weekends and holidays. If you have a repair that is not an emergency, you must submit a written request through the online portal at [www.gdaapm.com/maintenance](http://www.gdaapm.com/maintenance). Any after-hours emergency should be reported to 512-439-3602.

## Surveys

GDAA conducts surveys of all properties to provide valuable feedback to the property owners. We will arrange for an inspector to visit your home at least once per year to make sure all aspects of the home are being kept up to Texas property code. We are teamed with On Sight Pros. We will notify you when their agent will be contacting you to schedule the appointment.

## Maintenance of Your Home

### A/C and Heating Filters

Tenant is responsible for replacing all A/C and heating system filters at the property on a monthly basis unless enrolled on the GDAA filter program; you will then change filters quarterly. Any cleaning or repairs done to the AC/Heating unit caused by failure to perform mandatory changes will be charged to you, the tenant. In addition, if our vendor must provide you with a new air filter, a \$30 charge per filter will be assessed.

### A/C Drain Lines

If your property's A/C system has a drain line with an opening in it, pouring a cup of bleach or vinegar down the drain tube every 3 months can prevent the line from clogging up with algae and flooding the property. Dripping water from the line or under the unit is a sign that the primary drain is clogged and requires professional maintenance. Report this to our office immediately so that we may send a repairman. Operating the unit under these conditions can result in water damage to your home and property.

### Electricity Does Not Work

Check the breaker box to see if any switches are in the off position. Next, try resetting the GFCI plug, which is usually found in the kitchen, garage, or bathroom. If circuit breakers keep tripping, the circuit may be overloaded with appliances and you will need to make adjustments.

## Garbage Disposal

Overloading your garbage disposal will cause the safety button to kick in and turn off the disposal. Before doing a maintenance request for the garbage disposal, reset the safety overload. Wait three or four minutes for the motor to cool then push the button on the bottom of the motor. In the event items are found in the disposal that have caused damage, the repair or replacement may be a tenant charge.

## Pest Control

Residents are responsible for interior and exterior pest control upon taking possession of the keys. Do not store any wood against the house or fence as this increases risk of termites and is very costly to the homeowner. If you notice any wood destroying insects in or around your home, please notify our office immediately.

Tenant initials: \_\_\_\_\_

## Smoking

Smoking is not permitted inside the property at ANY TIME. **This includes the garage or any other enclosed areas of the home.** Smoke is very damaging and you will be charged all costs to paint and deodorize, if necessary.

## Smoke Detectors

Smoke detectors are for your safety. It is your responsibility to check the working condition and replace the batteries as needed. We recommend using a spray smoke detector tester. If after replacing the batteries you find the detector does not operate properly, contact our office immediately for repair or replacement.

## Toilet Overflow

If a toilet is overflowing, shut off the water supply valve at the wall. If you cannot unstop the toilet yourself with a plunger, submit your maintenance request to us online at [www.gdaapm.com](http://www.gdaapm.com). Only contact our emergency line if it is outside of office hours and all your toilets are not working.

## Winter Weather

Texas weather can change rapidly. During a potential freeze warning the home heat should maintain a minimum of 65 degrees. All exterior faucets must be adequately wrapped and insulated. It is also advised to allow inside faucets to drip water and to open cabinet doors to expose plumbing fixtures to be heated.

## Yard Maintenance and Water

You are responsible for the upkeep of the yard. To prevent being charged for re-sodding the yard, please water as needed to maintain healthy grass and landscaping. All shrubs are to be kept trimmed and cut back and flower beds kept free from weeds. Trash containers must be stored out of sight, either in the garage or back yard.

## Repair Requests

All repair requests must be submitted in writing per the terms of your lease agreement. Requests must include your name, daytime and evening telephone numbers, property address and specific problem or request. You may submit your request by going online to <http://www.gdaapm.com/maintenance>. You will be contacted within 72 hours to schedule an appointment with one of our vendors. **If it is determined the repair is due to tenant abuse or neglect, Tenant will be responsible for the cost of the repair.** If the Vendor finds no issues upon arrival the Tenant will be responsible for the cost of the trip fee charged by the Vendor. If you fail to meet a contractor once you have agreed to an appointment time, you will be charged a \$75 trip fee.

**If you break or reschedule two appointments, we will release a key to the vendor to access your home and take care of the repair.**

## Emergency Repairs

Please report anything relating to the property under the lease that is threatening to life, health, or the property.

**Property Meld is not monitored after hours.**

**Call (512) 439-3602 for afterhours emergencies to speak to a member of our team.**

Climate Control: No air conditioning if temperature is over 90 degrees or no heat if temperature is forecast to be below freezing.

Broken pipe or free flowing water: Turn off water valve or exterior water main.

Gas Odor: Turn off gas at the appliance, open windows.

Electrical Problems: Check all the breakers by flipping them hard to the OFF position and then hard to the ON position and reset any GFCI breakers.

Toilet Stoppage: This is an emergency only if ALL toilets have backed up or overflowed. One toilet not working should be reported as a NON-EMERGENCY. If water is backing up in several areas of the home (sinks, showers, yard and/or toilets) this is an emergency. A stoppage is impacting the entire home. Stop using water in the home and contact us immediately).

Non-Emergencies such as no hot water, non-working oven, non-working dishwasher, or garage door opener should be reported as routine and NON-EMERGENCY maintenance. Submit your request in writing as described above.

# Move-Out Procedures

In anticipation of your move out, your lease agreement requires that you leave the property in clean and undamaged condition. All utilities must remain on in your name through the end of the lease. Our office does not conduct move out inspections until the tenant has fully surrendered the property. We have provided a list that will be used by GDAA Property Management to inspect your unit after moving out to determine what charges, if any, will be deducted from your security deposit.

\* GDAA's Move-Out Guidelines are available online at [www.gdaapm.com](http://www.gdaapm.com) or at our office.

We have every intention of returning your security deposit, provided you have fulfilled your agreement with us. Please read the following information to help ensure a full return of your deposit without any misunderstandings:

1. To avoid any additional charges against your deposit, remember to clean your unit inside/outside thoroughly. We require you to have the carpets professionally cleaned and provide the receipt to us at the time of move-out.
  2. Cooperate with the showings of the property whether for sale or re-rental, keeping it in a presentable condition.
- Your lease agreement authorizes us to place on the property, a key box containing a key to show the property during the last 45 days of your lease or at any time the Landlord lists the property for sale.
  - If agents are denied access or are not able to access the property because of tenants' failure to make the property accessible, tenant will be charged a trip charge of \$75.
  - Failure to allow reasonable showings during the final 45 days of the lease constitutes default of the lease. The security deposit can be forfeited, in its entirety, for this reason.

I hereby attest that I have received the tenant Policy and Procedures from GDAA Property Management.

## **Tenant Charges**

**Occasionally our office experiences actions that are outside the scope of normal tenant activities. The following are charges that have been established to offset cost and time involved needed to address actions outside routine operations.**

### **1. Failure to connect utilities- \$75.00**

This fee is charged only when a new tenant fails to connect utilities in tenant's name after taking possession of the property. In addition to this fee tenant will be charged pro-rated utility charge.

### **2. Holdover Fee – Three times the daily rent**

This fee is charged only when tenant fails to surrender property after the expiration of their lease term.

### **3. Trip Charge/Stand Up Fee - \$75.00**

This fee is only charged to a tenant if an appointment was made to meet tenant at the property and the tenant fails to make the appointment. This fee will also be charged if the tenant deadbolts the property and prevents entry when an appointment has been scheduled.

### **4. Late fee for Rent – 5% and \$10.00 per day**

Unless otherwise stated in your lease, rents are due on the 1st of each month and will be considered late after the third. Late fees are assessed from the second day of the month until full payment is received in our office. Late fees are assessed at 5% of the monthly rent for the first day (the 4<sup>th</sup>) and a \$10.00 per day rate until all funds are received in our office. In accordance with the Texas Property Code, all outstanding fees are applied to funds received before being applied to rent amount.

### **5. Posting Fee \$35.00**

This fee is charged when a tenant has failed to make satisfactory payment arrangements prior to the rent due date and returned all requested documents to our office. In addition, late charges will also apply. This is in relation to the Certified Notice that is sent on the 4<sup>th</sup> when rent has not been received by the 3<sup>rd</sup>.

### **6. Returned Payment \$50.00**

This fee is applied when any payment is returned for insufficient funds or incorrect account information. This charge will apply to a physical check or electronic payment. In addition, late charges will apply.

### **7. Roommate Change Out Fee - \$150.00**

This fee is charged when a lease must be modified to remove or add any approved tenant after the original lease has been executed. It is very time consuming for the office to modify existing leases. Any new adult in the property needs to complete an application at [www.gdaapm.com](http://www.gdaapm.com). This must be processed, approved, and the \$150.00 paid BEFORE they are considered an authorized occupant.

### **8. HOA Administration Fee - \$35.00**

This fee is normally charged after a second occurrence of a Home Owners Association violation. This fee is in addition to any fine charged by the Home Owners Association. Instances of HOA fines would be failing to bring trash cans from street, failure to mow or edge yard, or parking on the yard or curb.

### **9. After Hours Maintenance Fee - \$50.00**

This fee is charged when a tenant will not meet a vendor during normal business hours or does not release a key to the vendor to allow access when the tenant is not home to remedy the maintenance concern. This fee DOES NOT apply to emergency maintenance issues. Additionally, this fee is charged when tenants request after hours or weekend move in key pick-up.

### **10. Collection Administration Fee \$200.00**

Administration collection fees are charged when the company must initiate a collection to recoup funds due to the company or the property owner. Examples are late fees, NSF fees, unauthorized pet, or damages to the property caused by tenant. This fee is normally charged when a second request for funds must be initiated.

### **11. Failure to Maintain Utilities \$250.00**

Tenants vacating the property are required to maintain utilities until the move out inspection has been completed and/or through the last day of their lease. Failure to maintain utilities requires the staff to reschedule the inspector, schedule utilities to be reconnected, delays any repairs that might be needed, and potentially cost the owner days of rent.

### **12. Failure to Return Keys - \$75.00**

The lease states the tenants must return all keys, remote controls and pool and property access passes. Failure to return the above cause's additional staff time locate and coordinate the re-issuance of these devices. Any costs incurred due to lost remotes, pool or gate access devices will be charged to the tenant, in addition to this fee.
